

KINGSLEY
SENIOR LIVING

Impressions Memory Care *Family Night*

January 27 at 5:30 p.m.

Kingsley Senior Living invites you to celebrate the official unveiling of our Impressions Memory Care program.

A dementia diagnosis is similar to a fingerprint; it's unique to each person and family. We created Impressions Memory Care to embrace the individuality of each person we care for.

Enjoy a hot chocolate bar as you get a chance to learn more about this program.
