Family Night

Impressions Memory Care

May 13 at 5:30 p.m.

Kingsley Senior Living invites you to learn more about our Impressions Memory Care program. We'll be making aromatherapy stones this month.

A dementia diagnosis is similar to a fingerprint; it's unique to each person and family. We created Impressions Memory Care to embrace the individuality of each person we care for.

RSVP by calling 734-405-7500
